Baton Rouge, LA 70815

SHIPPING TIPS

- Use a durable, heavy-duty box and pack with appropriate weight for that box.
- Do not exceed 50 lbs. per box.
- To protect your item donations in the event of box damage during transit, we suggest lining your box with a plastic bag and sealing it to prevent damage from moisture.
- Use the most economical method from your location. You can check the websites of the various shippers (UPS, USPS, FedEx, DHL) and get their respective prices based on weight and size of package. Some of these outlets may be allowed to offer discounts, as they are owned as franchises.
- You can try contacting local transport or freight companies; they may be willing to add your donation to their load for free or low cost if they are heading towards our headquarters.
- If funds for shipping are an issue, you can check with local Veterans groups and/or civic organizations (Rotary, Kiwanis, Lions, etc.) to see if any would partner with you to cover the shipping.
- We will send you a thank you letter within eight to fourteen weeks. If you want confirmation of delivery of your shipment(s) sooner, please use the tracking system provided by your shipper. *Depending on the disaster this may take longer than expected
- If sending freight loads by the pallet please contact us prior to arrange drop off at warehouse locations.
